Credit is evaluated on a course-for-course basis, requiring that course descriptions and credit values be comparable. Only work earned with a grade of "C" or higher is transferable; however, grades from transfer credits do not compute into your Living Water University (LWU) GPA.

Minimum 50% of the quarter hours in the program must be completed at LWU in order to qualify for graduation. Depending upon the program and circumstances, the number of transferable credits may be varied.

1. Attach official copies of your transcript. Requests will not be considered unless accompanied by all required documentation.
2. Please note the evaluation process takes four weeks to complete.
